

**27<sup>th</sup> Annual Bob Greene/ Newark Valley  
Cross-Country Invitational  
Newark Valley High School  
Friday, October 15, 2010**

The Newark Valley Cross-Country program invites you to join us for the **27<sup>th</sup> Annual Bob Greene/Newark Valley Cross-Country Invitational**, sponsored by the Newark Valley Booster Club. This year, the race will be held on Friday afternoon/evening as it is Newark Valley's Homecoming weekend and the first football game of the season will kick-off in our new stadium on Saturday, making it impossible to hold both a XC invite and a Homecoming football game on the same day. Our course is fairly flat, with a few small hills or rises and, approximately mid-way through for all races, one significant hill. It is well-groomed and has wide avenues for running. The course is 3.1 miles in length for the Varsity and J.V. races and 1.52 miles for the Junior High race.

As of this writing, the XC course is being re-configured somewhat due to the construction project that is presently going on. The new track is looking great, but it is unlikely that we will be able to finish XC races on the track as we have in the past. Nevertheless, we expect to have a fine XC course by the time the season begins. The records on the current course are:

Varsity Boys: 16:13.0 (Erik VanIngen, Marathon – 2006)

Varsity Girls: 18:20.3 (Erin Cawley, NV - 2008)

**Schedule (subject to change depending on # of entries):**

**3:40 Coaches meeting**

**4:00 Junior High Boys run**

**4:12 Junior High Girls run**

**4:25 Varsity Boys run**

**4:45 Varsity Girls run**

**5:10 J.V. Boys**

**5:40 J.V. Girls**

**Awards Ceremony to follow the last run**

Limit seven runners per Varsity team. There is no limit to the number of JV or Modified runners. When responding with your intention to enter (see below), be sure to indicate for which races you will have runners and the approximate number of runners in each of the races. No Varsity team may enter the J.V. race. A single team entry is automatically in the Varsity race. Junior High entries must be 7<sup>th</sup> & 8<sup>th</sup> graders.

Depending upon the number of runners in each race, we may need to add additional sections of the race. Therefore, it is important that you return the **Intention To Enter Form (by mail or email) by September 15, 2010**, with your estimated numbers for each race. It is our intention to use Sydex for the Entry process and for the race results. More information will be sent to the participating schools by the end of September regarding the races to be held and the entry procedures.

**Fee: See Entry Form**
