Facilities:

The new CNS track facility is unique in that it has the capability of allowing each field event to be run simultaneously. The CNS multi event site will allow co-ed meets to run fast and efficiently. The facility contains four jumping pits along with two discus, shot put, high jump, and pole vault areas.

Other amenities include:

- An indoor stadium facility that will be open and available to all spectators and competitors, especially in inclement weather.
- Four restroom facilities located inside the stadium.
- A large concession area located inside the stadium (including pizza, pretzels and snacks).
- Third-floor pressbox spotting rooms, with elevator access, will be available for coaches.
