

Pawling Cross Country Invitational: Dan Purdy Memorial Invitational Classic

Pawling, New York

Saturday, September 21st, 2019

You are invited to enter the 8th Annual Pawling Invitational. This is the fourth season where the meet will be run in honor of Dan Purdy, who ran for Pawling from 1998 to 2001. For over 20 years Pawling did not even have a cross country program and it was Dan's spirit and courage that helped re-establish running at Pawling High School. Never one to quit or give up in anything he attempted, Dan courageously battled a terminal illness finally succumbing in 2015. According to family and friends Dan's last words were, "I think I'll go for a run." So for Dan, his family, and for all those whose lives he touched, we the staff at Pawling High School, dedicate this event in his honor.

Come and join us and take the opportunity to run on Pawling High School's new, scenic 5,000 meter championship course located on the high school campus. The course offers a variety of running terrain, with most of the grass covered course winding through trails. The first mile is in the primary campus area and is flat, and the 2nd half of the course offers scenic trails. Although there are no long difficult hills, the course still has a number of short steep inclines. This is a runner's course which is challenging, but fair to athletes of all ability levels. The course is also spectator friendly, and offers ample opportunities to view the runners throughout the race.

Awards: The awards include a trophy to the team winner and runner-up team in each VARSITY race and custom medals 25 deep in varsity races. Medals will be awarded to the top 20% of the finishers in the JV and Frosh/Soph races.

A trophy will be awarded to the team winning the JV boys' and girls' races. **No team awards will be given for Frosh/Soph races. Note that these races are for developmental runners as well so if you have beginning runners who have difficulty running the 5k distance you may put them in this race regardless of their grade level.**
