

9th Annual LeRoy Cross Country Invitational
At Hartwood Park
Saturday October 16, 2010

9:00 – Open Race - \$5 entry fee
10:00- modified girls race
10:20 – modified boys race
10:40 – JV boys race
11:15 – Varsity girls race
12:00 – Varsity boys race

* We added additional time between races so coaches are not rushed between races – this should allow time to get results tabulated much quicker for the awards ceremony.

- Awards: The 5 runners on the 1st, 2nd, and 3rd place teams will receive specialized t-shirts for both Varsity races. These shirts replace the traditional team trophy and allow each member of the team to take home their own piece of the trophy. Medals will be awarded to at least 1-10th overall place in all races and ribbons will be awarded after that. (awards depend on the number of teams entered) If we have more teams entered than expected, we will increase the number of awards.
- Course: The Varsity course is 3.1 miles of mostly trails and some playing fields. The course includes a nice section of wood chip trails that run through the woods. The course is fast and flat, and provides an excellent opportunity for runners to get a great time.
- Facilities: Bathroom facilities are available, with gym space available. A well stocked concession stand will also be selling T-Shirts (different from those handed out in the awards ceremony).
- Entry Fee: Checks should be made payable to LeRoy Central School District

\$75.00 per School (maximum) for entry in all races
OR
\$10.00 per runner for incomplete teams
- Directions: Hartwood Park is the school's athletic facilities located on South Street in LeRoy. South Street is on the east end of the village off Route 5 (Main Street). This is the location of the new school at 9300 South St. Rd in LeRoy. Busses should park by the Athletic Entrance.
