Dear Coach:

Due to flooding this year, our meet was cancelled. I am happy to report that we have found a new venue and a new date for this season. Our course will be run at nearby Fortin Park conveniently located off of exit 16 from I88 (Emmons). If you are coming eastbound (from Binghamton) you will make a right at the top of the ramp, and your first right after the driving range/mini golf park. If coming westbound (from Albany), make a left at top of the ramp, and your first right after the driving range/mini golf park. The course is all grass with rolling hills. I will bring a couple of hay bale barriers for a new challenge. The park will have port-a-johns, and 2 empty airplane hangars that will accommodate all teams. I hope to have a concession stand but I am uncertain as of now. We recommend running in racing flats or spikes. I hope that the new venue and course will be as fun and challenging as the original. There are plenty of eateries near the course. If you are looking for fast food, exit 15 will have Wendy's, McDonalds, and Burger King along with a couple of diners and an Applebee's. Our Famous Brook's BBQ is over the highway, and a left on Rt. 7 just a couple of minutes away.
