Dear Coach:

The 2019 Cross-Country season is rapidly approaching. As in past years, the Oneonta Cross-Country Team is anxiously waiting to fire up the season with its annual invitational meet. Boys varsity and JV races will be combined as will the girls varsity and JV races. Varsity scores will be based on your top 5 finishers with 6 and 7 being tiebreakers. JV scores will be runners 8-12. It will be a 5000 meter course. Almost all of it will be on grass, with plenty of flats, and one quick hill, all in a wide open field. This is an extremely spectator friendly venue. We recommend running in racing flats or spikes. The races will begin in the far end of the old grass runway and finish just past the hangars.
