

QBY-XC: “The trials of miles; the miles of trials.”

Cross Country Coaches:

May 10, 2018

We are pleased to announce that Queensbury High School will be holding the **15th Annual Queensbury-Adirondack Cross Country Classic Invitational** on **Saturday, September 15, 2018**. Our mission is to organize and host a championship quality meet, which will hopefully attract the some of top teams from New York and surrounding states. This will be the same course that was run for the 2005 and 2013 New York State Cross Country Championships. The races will be held at the Queensbury School campus on our mixed-surface 5,000-meter course. The course will be run entirely on grass and trail surfaces and this is a true “spike” course. The course starts with an open field of 400 meters from starting line to the mouth of the trail system. There are no road crossings and the trails are wide and smooth with packed dirt, and mulch finished hills. The course will offer 555 meters of open field from the exit of the trails to the finish line. The course is rolling and fast with 2 challenging hills located at mile 1 and mile 2. This is also spectator friendly course, and will offer participants and spectators alike, a running festival atmosphere with entertainment, public address, food and music!

The results will be available within :15 minutes of the conclusion of each race. Team awards will be picked up at the results tent and copies of all results will be offered immediately after awards are posted. Individual awards will be handed out at the end of the chute (***Medals/Top 25; Ribbons/Places 26-75 in each race***).

We look forward to seeing you and your team and hope you will consider attending our event. Make plans now to enter. The entry blank and a fact sheet are attached and are due by **Friday, September 7th**! ***We will be using Mile Split NY to register for the meet. For instructions on how to use Mile Split NY see the information enclosed.*** Good luck with your season in the coming year!

Sincerely yours,
Paul Allison – Head Coach
