**Rules:** This competition is governed by the National Federation of High Schools, the New York State Public High Schools Athletic Association, Section 6 Athletics, and the Erie County Interscholastic Conference. Jewelry, uniform, and electronics rules are in effect and will be enforced. The Games Committee will be comprised of the head official, another coach to be determined, and Emilio Mancino. Any protests must be clearly written and explained before given to anyone on the Games Committee.

**Entry Information:** Varsity races must have a minimum of five (5) runners to be eligible for team scoring. There will be a maximum of seven (7) runners in all Varsity races. There is no limit to the number of Junior Varsity runners that can be entered. Runners who are typically Varsity caliber should not be participating in the Junior Varsity races. Any 7<sup>th</sup> or 8<sup>th</sup> grader participating in this competition on either level must have been approved through the NYSPHSAA Selective Classification process.

**The attached entry form should accompany the payment.** Be sure to complete it legibly and carefully. The determination of divisions will be based on school enrollment data compiled by the NYSPHSAA.

**Scoring Information:** Numbered cards will be handed out just past the finish line to each runner who successfully completes the course. Coaches will collect and record the numbered cards that their team's runners hand to them immediately following the completion of their race. Completed score cards AND the individual numbered cards must be submitted to the clerks at the scoring table as soon as possible. Any missing scoring information (i.e. score cards, place cards) will result in an incomplete score for that team. We will employ a timing system as the primary mode of producing results.

**Course Information:** 99% grassy and flat course that is extremely viewer friendly and accessible. Half mile and mile markers are generally in the same areas of the course. Quarter-inch spikes are strongly recommended.
